NEW MATCHMAKING-TOOL

Network with speakers, exhibitors and participants

Networking is an essential part of **ENERGY STORAGE EUROPE** and increasingly important even in the digital age. With the Matchmaking-Tool the trade fair breaks new ground, offering trade visitors, exhibitors and speakers a digital platform to make targeted contacts and to network. Access is now possible via the web portal: www.eseeexpo.com/matchmaker2

By quickly matching these interests, you will receive immediate recommendations and personalized suggestions. The Matchmaking-Tool brings stakeholders together in a well-directed manner during the trade fair and makes a participation in **ENERGY STORAGE EUROPE** even more efficient.

Matchmaking

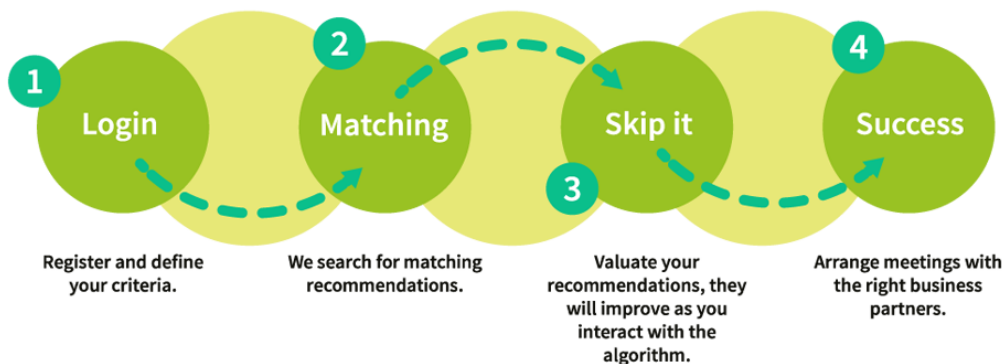

Bringing exhibitors and visitors together

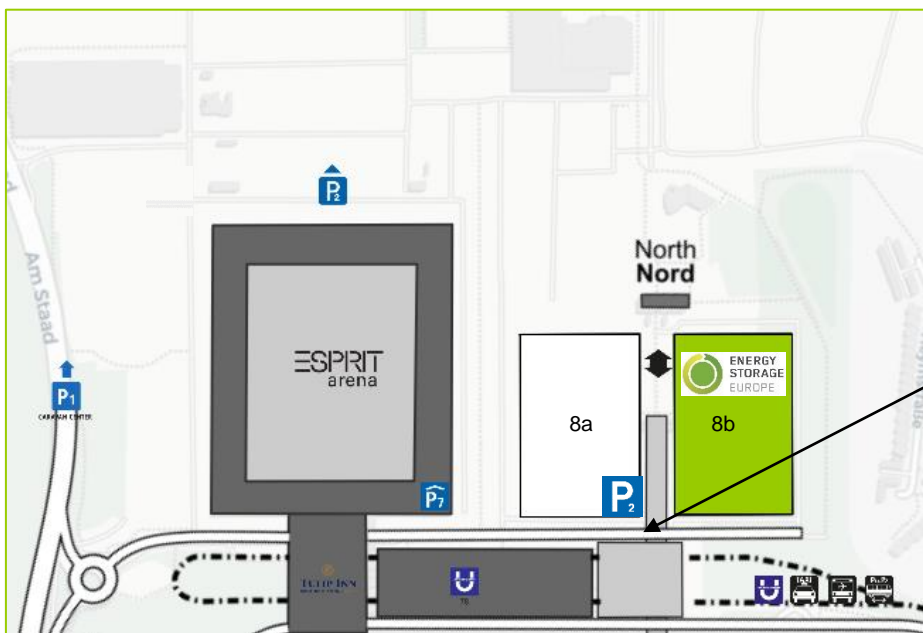

- individualized generation of personal contacts
- appointment and meeting planning before the start of the trade fair
- personalized suggestions according to your interests
- intelligent algorithm adapts to your interests
